CVMW2010-VIR

2 Megapixel WDR varifocal vandal-proof network dome camera
VANDERBILT

The Eventys range offers variants of up to H.264+ IP compression efficiency and optimised codec technology, alongside two network video recorders (NVRs). With a simple set up procedure, these products offer outstanding functionality and flexibility, and are perfect for small to medium sized installations.

The Eventys CVMW2010-VIR IP WDR dome camera features 2MP resolution with a varifocal lens. Powering and connecting the dome camera is a simple and straightforward exercise thanks to the use of power over Ethernet (PoE). Coupled with automatic IP address allocation, auto-device detection and connection (from Eventys NVRs), Eventys IP cameras truly are plug and play. Robust, reliable and suitable for a wide variety of applications, the cameras are built into an IP67 rated weatherproof enclosure, while advanced CMOS progressive scanning allows the camera to obtain values from each pixel in the sensor and scans to produce a complete picture.
